DETAILED ACTION

1. This Office Action is RESPONSE to Applicant's ^{Appeal Brief} [REDACTED] filed on ^{8/23/07} [REDACTED]. 2/1/08
JTB
2. Claims 1-22 are allowed.

The petition dated 06/05/2007 is considered moot in light of the following allowance. However, if applicant wishes to continue with the petition, Applicant is requested to contact the Examiner. 2/1/08
JTB

The objection to the drawings ^{and specification} in the previous Office action is hereby withdrawn.

All rejections under 35 USC § 103 are hereby withdrawn.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance:

The "recording medium" in the claim 10 is considered to be hardware such as disk drives or DASD for semi-permanent storage (see the applicant's specification, page 1, lines 15-16).

As per claim 19, the "relational database management system" comprises the combination of an appropriate computer, and direct access storage devices (DASH) or disk drives (see the applicant's specification, page 1, lines 11-12).

The closest prior art, LETHIN et al. (Pub. No. US 2002/0147969 A1) fails to teach providing a direct call mechanism replacing a lookup function of a run-time interpreter.

These distinct features, in conjunction with all other limitations of the dependents and independent claims render claims 1-22 them allowable.

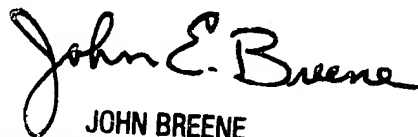

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
